S. D. TANKARD, Jr.: Belle Haven 2-3244

Located on the Famous

EASTERN SHORE of VIRGINIA

Where "Heaven and Earth Meet" in the words of Capt. John Smith who described this land as the best suited for man's habitation of any of the many places he had been.

THE OLD HAND AT THE NEW STAND

"There is no substitute for experience." Sam Tankard, Jr. of the Tankard Brothers has been in the Nursery business for 28 years. He and brother John give close supervision to growing good stock and careful attention to filling your orders.

In 1946, they established the present nursery at Exmore, Virginia and now have a large stock of the finest of ornamentals with which to serve old and new customers.

Tankard's is not the largest nursery in the country, but it is one of the best.

The Eastern Shore and the Del-Mar-Va Peninsula have become a great nursery center. Come and find all your wants.

WHOLESALE PRICE LIST SPRING 1956

Within easy trucking distance of Eastern points, but we can ship anywhere by express, freight, or truckload

We have customers in 17 states - from Mass. to Oklahoma, and have received many compliments on our plants and our packing.

Terms and Conditions:- Prices are F. O. B. Exmore, Virginia, packing in boxes and bales additional, subject to prior sale, and our confirmation of the order. Terms are cash with order or 1-4 cash with order, balance C. O. D., unless credit has been established with us.

50 plants at 100 rate; 500 at 1000 rate.

WE CAN DIG AND SHIP ALMOST ANY WEEK DURING THE WINTER, SPRING OR FALL. However, we advise you to let us have your order at once so we may reserve stock for you. Many items are scarce this season.

We box Azaleas and pack deciduous stock for L. C. L. shipment by Rail and to some destinations by truck lines, but cannot undertake to box and ship larger evergreens. These are offered only for bulk shipment by truck or car load.

AZALEAS

For forcing and landscape planting.

We grow many thousands of beautiful plants, dense, and bushy. These Azaleas are as fine as we have ever raised. Grown in natural Azalea soil in the field, under full sun. Place your order now as there were not enough plants to meet the demand again last season, and sales have already taken the majority of this years crop.

Within easy trucking distance of Eastern points, but we can ship anywhere by express, freight or truckload.

For Azalea orders, 1000 rates apply on all orders for 500 or more plants for bulk (truck) shipment, 100 rates apply on all Azalea orders to be packed for shipment in boxes.

KURUME VARIETIES

PRICES: Kurume varieties (except Hino-Crimson* which is listed and priced separately on next page.) Add 10¢ per plant if burlap wrapping is desired

| | 100 | 250-499 | 1000 |
|-----------------------|-------|---------|--------|
| 8-10 in. spread each | ----- | \$1.10 | \$.90 |
| 10-12 in. spread each | ----- | 1.35 | 1.25 |
| 12-15 in. spread each | ----- | 1.75 | 1.60 |
| 15-18 in. spread each | ----- | 2.25 | 2.00 |

TANKARD AZALEAS, featuring Hino-Crimson, are grown in the sun for compactness and a heavy set of buds. Lath shaded in winter to protect those buds and that beautiful foliage.

VARIETIES: Note sizes available in each variety.

AMOENA - Hose-in-hose, rosy purple flowers. Very hardy. 12-15 in. only, and very few left.

CHRISTMAS CHEER - Hose-in-hose. Christmas red flowers. 8-10 in. to 12-15 in.

CORAL BILLS - Hose-in-hose deep pink. The favorite pink Azalea. 10-12 in. only.

FLAME - Hose-in-hose bright madder red. Sold Out.

HEXE - Hose-in-hose, large crimson-red. Late flowering often at Mother's Day. 8-10 in. and 10-12 in.

AZALEAS — continued

HINODEGIRI - Brilliant red. The standard hardy Azalea. 8-10 in. to 15-18 in.

PINK PEARL - Hose-in-hose light pink. Vigorous excellent foliage. Sold Out.

SHERWOODI - Sold Out.

SNOW - Hose-in-hose, snow white flowers. Good grower - glossy foliage. Sold Out.

Hino-Crimson Has Everything

Marvelous crimson color, compactness, good foliage, vigor, hardiness. In addition is an excellent forcer and an early one.

Well worth the small premium in price.

HINO-CRIMSON - Similar to but far superior to Hinodegiri because of its deep crimson color which does not fade. Hardiness equal to or surpassing Hinodegiri. Hino-Crimson is the choice of all who see it. (Photo p. 3)

PRICES: Hino-Crimson only - - - -

KAEMPFERI HYBRID AZALEAS

These are large vigorous-growing azaleas developed to give the hardiness of Kaempferi in combination with the gorgeous large flowers of the other parent, Malvatica. Truly outstanding. Semi-evergreen. Sold Out.

ASSORTED AZALEAS

BUCCANEER - A Glenn Dale Hybrid. Dazzling orange-red flowers of large size. Truly outstanding. Blooms 10 days or two weeks later than Hinodegiri. Excellent foliage. 8-10 in. to 12-15 in.

GAIETY - A Glenn Dale Hybrid. Large flowers of light rose-pink with deep rose-red shading. Blooms 10 days or two weeks later than Hinodegiri. Excellent foliage and a vigorous grower. 12-15 in. only.

GARDENIA SUPREME - A Pericat Hybrid. Large double white flowers resembling small Gardenias, a rare beauty but not hardy North. Excellent for forcing. 8-10 in. to 12-15 in.

PALESTRINA - (Wilhelmina Vuyk) - A Vuykiana variety. Sold Out.

ROSE GREELY - A Gable Hybrid. White, hose-in-hose, free flowering. Reputed to be hardier than Snow and just as attractive. Sold Out.
